

DEPARTMENT OF THE AIR FORCE
WASHINGTON, DC 20330-1000

SPECIAL ORDER
GA- 45

29 October 1991

1. Belfield Communications Site (GWEN 847), ND, a detached leased installation of Minot AFB, is established as an Air Force Installation under the jurisdiction, control and accountability of Air Force Systems Command. Minot AFB (QJVF) SAC will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
2. Carrollton Communications Site (GWEN 851), VA, a detached leased installation of Langley AFB. is established as an Air Force Installation under the jurisdiction, control and accountability of Air Force Systems Command. Langley AFB (MUHJ) TAC will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
3. Crystal Communications Site (GWEN 848), ND, a detached leased installation of Grand Forks AFB is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Grand Forks AFB (JFSD), SAC, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
4. Edinburg Communications Site (GWEN 870), ND, a detached leased installation of Grand Forks AFB is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Grand Forks AFB (JFSD), SAC, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
5. Hudson Falls Communications Site (GWEN 835), NY, a detached leased installation of Plattsburgh AFB is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Plattsburgh AFB (THWA), SAC, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
6. Holtville Communications Site (GWEN 855), AL, a detached leased installation of Maxwell AFB is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Maxwell AFB (PNQS), AUN, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
7. Patten Communications Site (GWEN 402), ME, a detached leased installation of Loring AFB is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Loring AFB (NRCH), SAC, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.

AU 501a

8. Penobscot Communications Site (GWEN 895), ME, a detached leased installation of Bangor ANG Base is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Bangor ANG Base (FKNN), NGB, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.

9. Acushnet Communications Site (GWEN 404), MA, a detached leased installation of Hanscom AFB, is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Hanscom AFB (MXRD), SYS, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.

10. Biggs Communications Site (GWEN 647), CA, a detached leased installation of Beale AFB, is established as an Air Force installation under the jurisdiction, control and accountability of Air Force Systems Command. Beale AFB (BAEY), SAC, will provide logistic support by establishing and maintaining the real property accountable records. Authority: AFR 87-5.
